Workshop cost \$450 ~ Extended Early Bird registration to June 20th \$395 ~ Only 15 Participants

We all have aspects of ourselves that we have put in Shadow.

We exile these parts in order to fit into our families and society. But now, as adults, we can do the work to reclaim all of ourselves and lead more fulfilled and authentic lives. Shadow Work® is a creative, safe and powerful way to look at what keeps us from embracing more of what we want in life.

- ◆ Honor your Risk Manager
- ◆ Align with your highest potential
- ◆ Find new ways to express your truth
- ◆ Reclaim your power and confidence

- ◆ Receive safe support in a co-ed container
- ◆ Gain new perspectives on old patterns
- ◆ Find self-love and inner guidance
- ◆ Release resentments and find compassion

“Our Shadow becomes a Divine Map that reconnects us to the life we were meant to live and the people we’re meant to be” – Debbie Ford
